## COMMUNICATION OF THE CHOSEN TOPIC

- On a date that we will announce later, on the SID 2022 event website a form will be uploaded through which each participating team will communicate the chosen theme from the six announced subtopics, a short description of the project and other particularities.
- From this moment, each participating team can start the development of the project with the mention that, on the day of the competition, 29.09.2022, they will receive from the technical commission, the specific requirements of the topic, requirements that will be taken into account in judging the projects.
- Any technologies can be used to implement projects.

## PROJECT PRESENTATION

- At the end of the competition, each team will have 15 minutes to present the project and then 5 minutes of Q&A.
- The presentation and sources will be uploaded before judging on GitHub.

## JURY

The jury includes university teaching staff and representatives of companies participating in SID 2022.
