DIGITAL TRANSFORMATION - necessary approach for sustainable development and closing the innovation gap between Romania and European countries
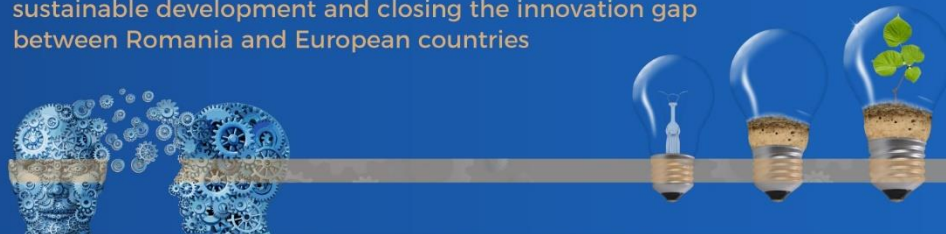

SID 2023
Sibiu Innovation Days
05 - 06 October, Sibiu - RO

Dear Hackathon competitors,

The platform which will be used for communication / chat will be platform Slack.

On **Wednesday, 04.10.2023, at 19:00** all participants, together with the technical team, will meet on **Faculty of Science, 5-7 Doctor Ion Rațiu Street, Sibiu 550012**. Each of the teams will make a brief presentation of the functionalities implemented until then, and what they intend to do next.

On **Thursday, 05.10.2023, at 10:30**, **on the same place**, will be the official opening of the Hackathon contest. Each team will individually receive from the technical team a task that expands the existing application, and which will have to be implemented during the 24 hours of competition.

At the end of the Hackathon, on **Friday, 06.10.2023, at 10:30**, the teams must have committed (on Github) the latest version of the application sources and *.ppt* presentation of the project. Next, each team will present their solution, with 15 minutes to present the project and then 5 minutes of Q&A.

Each team must communicate through the button "**Communication of the chosen button**" the chosen theme from the six announced subtopics, a short description of the project and other particularities. **Deadline 01.10.2023 at 12:00**! If you will not do this you agree to not continue the contest!

Each team must create a **public repository on Github** and give a share link via email (at ionela.maniu@ulbsibiu.ro), deadline **02.10.2023 at 10:00**!

Good luck to all teams!
